CANDIDATE STATEMENT: If selected as a chapter leader, what key goals would you set and how would you propose achieving those goals? Please limit your response to 75 words using the space below.

If selected as the Communications Director for the ASID Carolinas' Chapter, I would promote engagement on the smallest levels. You never know what an invite to a colleague could mean for them in the future.

ASID provides a wonderful community for connection and communication is one of the more important jobs for the chapter. I would encourage small groups to promote engagement and accountability. Teams help new and old members make connections and get tasks accomplished!

The chapter requires a recent photo of no more than one-year old for the ballot. (To be checked by the chapter, if required.)
